 Tomáš Mirovský

My professional career in volunteering at sport events is more than 20 years. I have great experience in this field.

I was the coordinator of volunteers at many major events, e.g. in the Czech House at the Olympics in London 2012, at the 2015 IIHF Ice Hockey World Championship in Prague and Ostrava, in the Olympic Park in Prague during the Olympic Games in Sochi 2014, running league RUNCZECH from 1995 and at many other events.

My major is the management of volunteers, communication with them and training.
